

A decorative graphic of a stylized leaf or feather, rendered in a light color, positioned on the left side of the cover. It features a central stem with multiple pointed, overlapping segments, resembling a quill or a stylized plant. The graphic curves downwards and to the right, framing the year '1950'.

Dedication

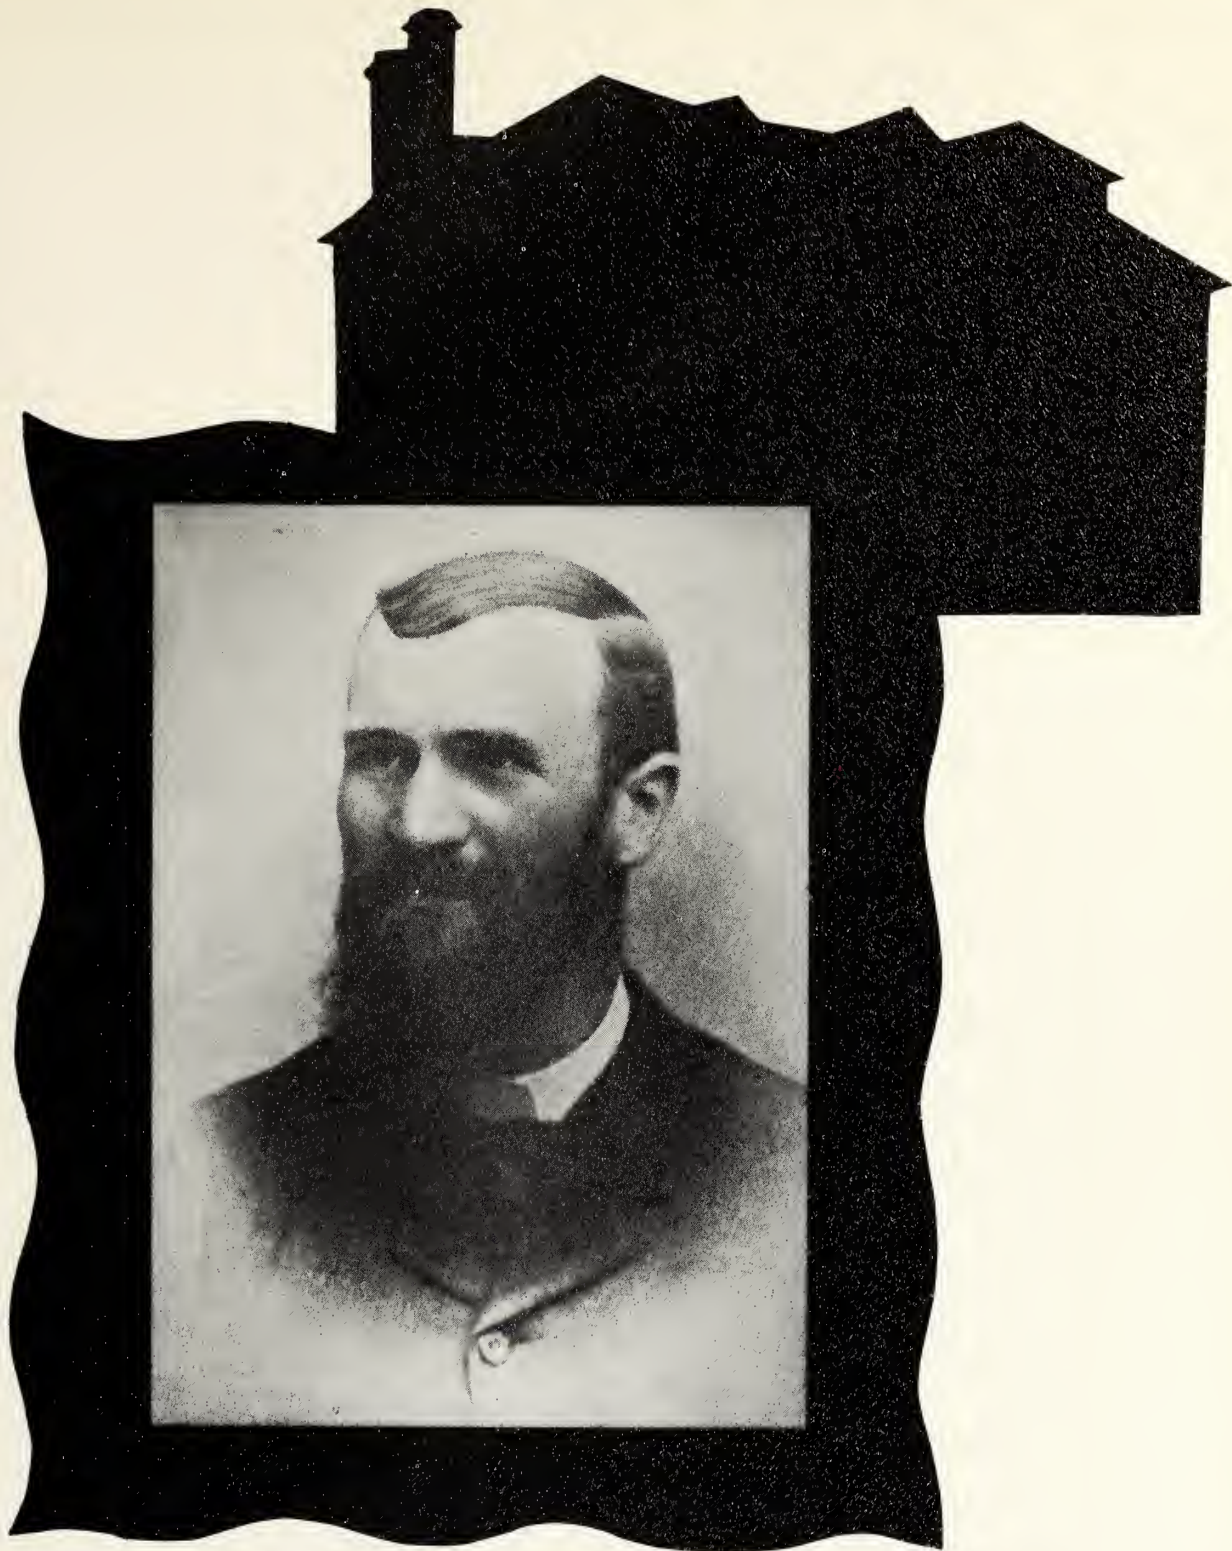

A century has passed since the birth of David Goerz. To this great figure in the founding of Bethel College, we dedicate our 1950 Graymaroon.

A man of many interests, his activities covered a great variety of fields including the ministry, missions, immigration, education, journalism, deaconess work, relief, business, literature and music. He pioneered in many of these fields among Mennonite immigrants and rendered distinguished service in all.

David Goerz had faith in the cause of Mennonite higher education. We owe him a debt of gratitude for his pioneer work in this field. Often misunderstood and misjudged, a man of sensitive nature, he still did not allow criticism or opposition to swerve him from a purpose on which he had set his heart.

We as students of Bethel College owe him a debt of gratitude that can only be repaid by active support of this, our school, to which he gave the best that was his to give.

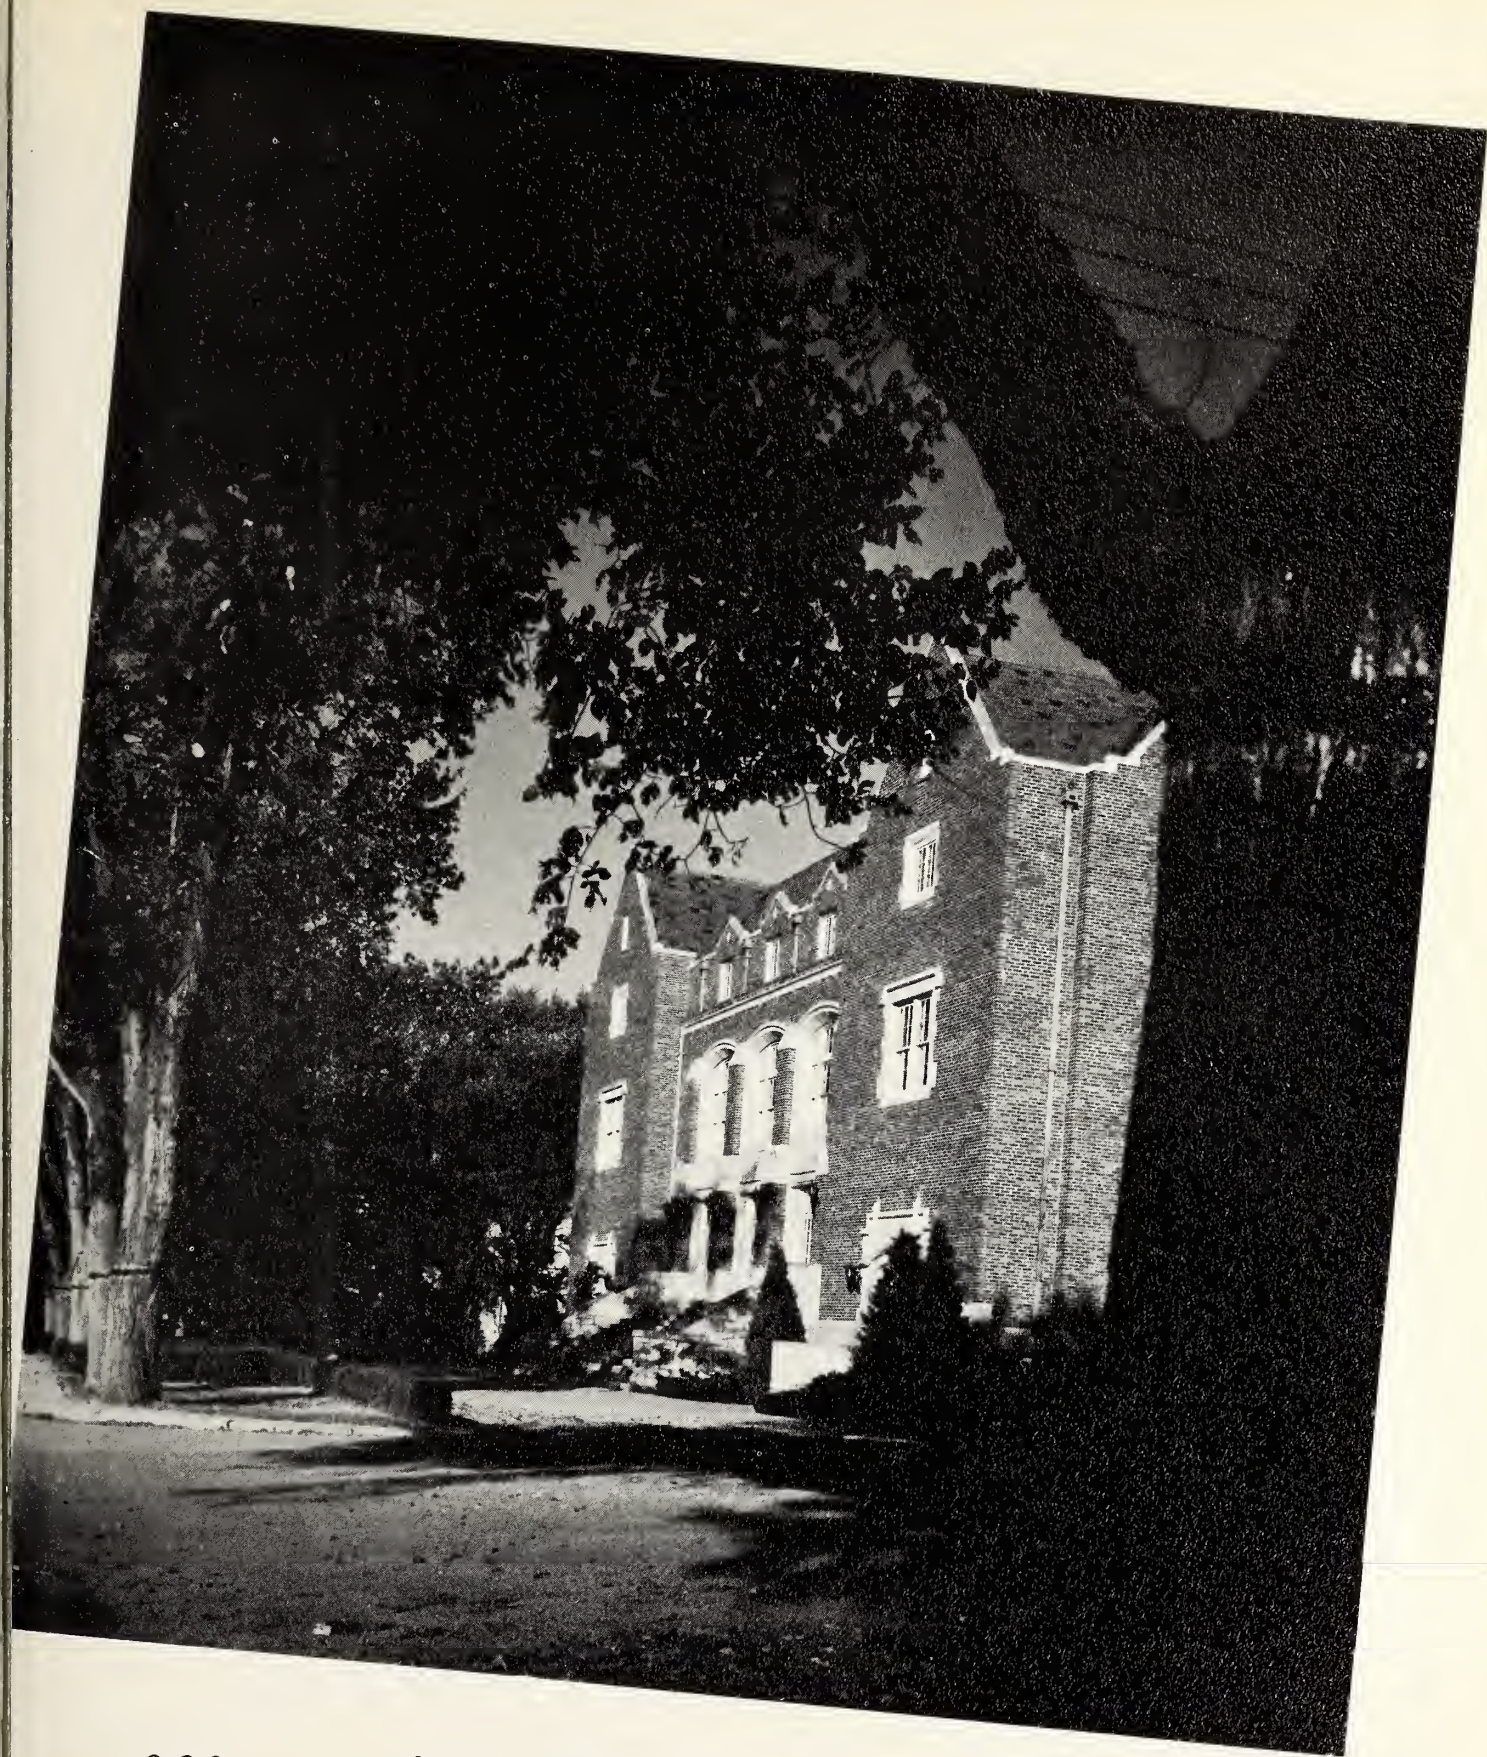

DAVID GOERZ
1849-1915

Foreword

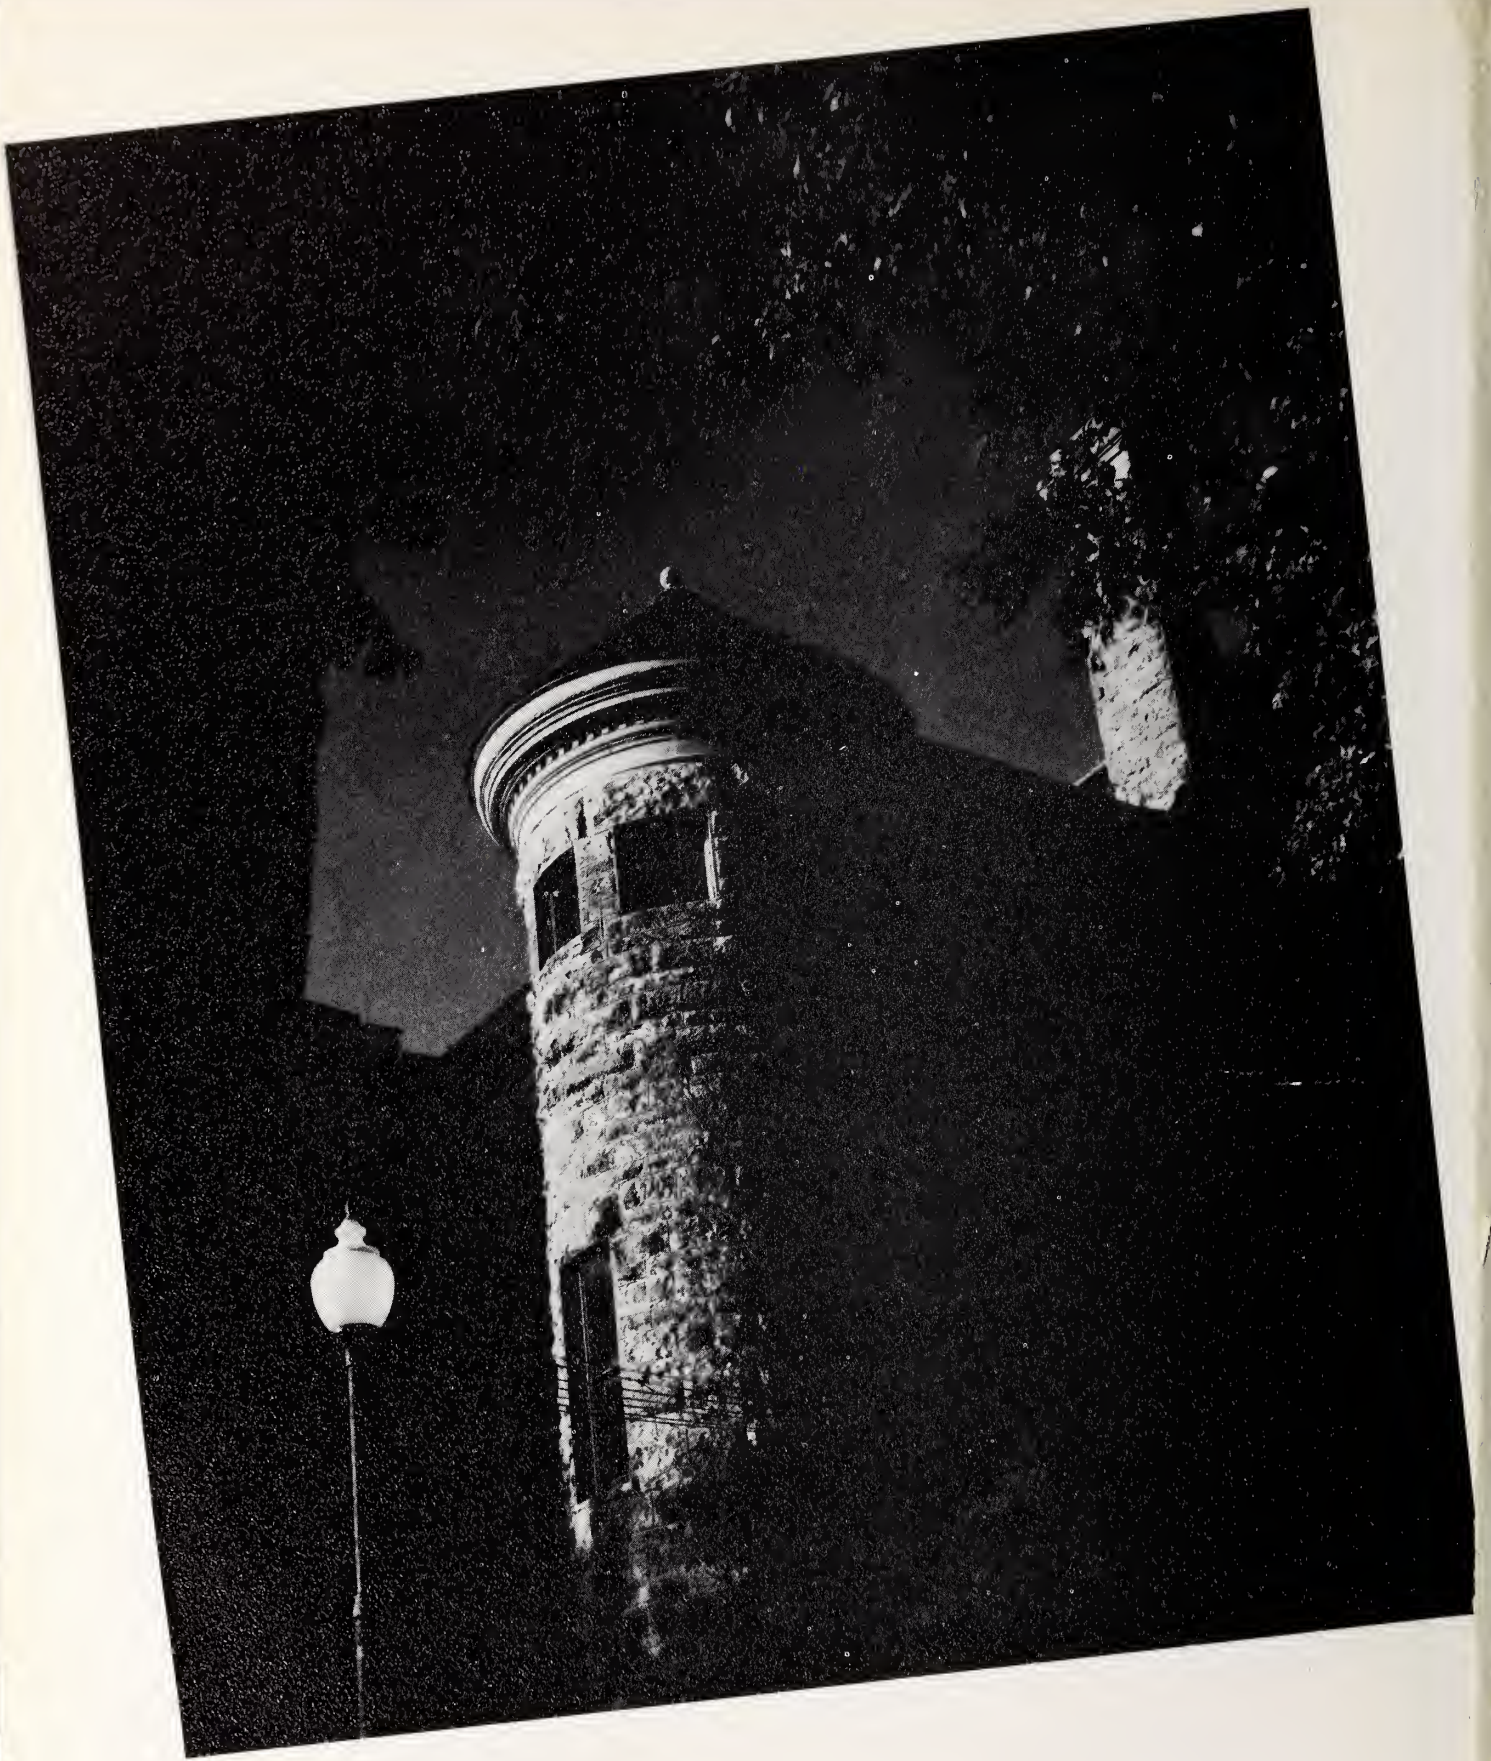

We have arrived at the midpoint of the twentieth century. We are in the middle of a generation full of change and conflicting ideas. Another school year has come and gone, leaving behind it experiences and events which we have added to our store of memories.

Perhaps within the pages of this book you may find glimpses of this year which will serve to stimulate your memory and bring back in a more vivid way the days spent on this campus.

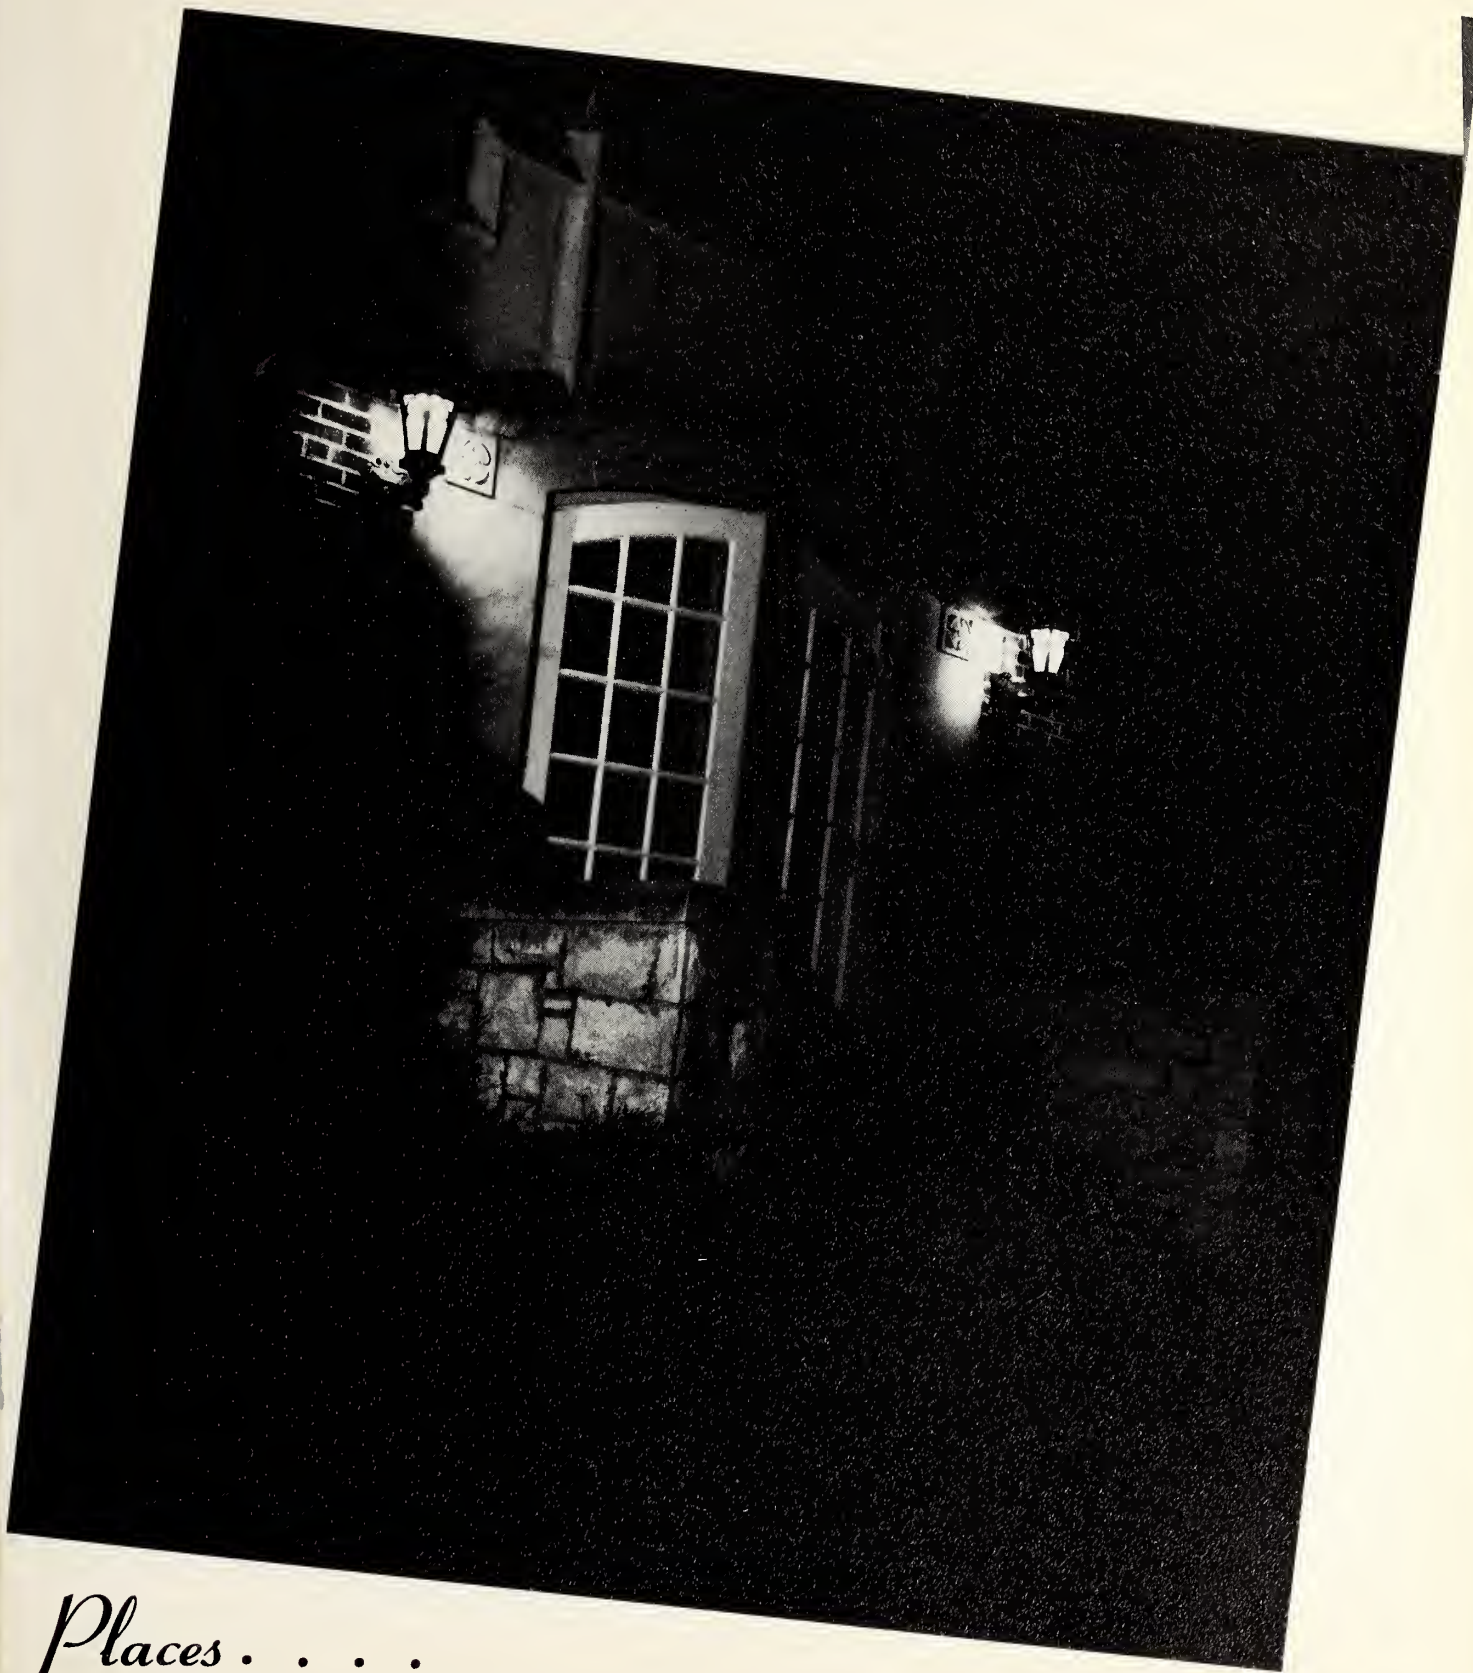

That is our sincere hope as a Graymaroon Staff. For only if you who turn these pages find within them the renewing of your memory of the work, study and play of this school year, will our efforts have been worthwhile and of value in years to come as well as now.

Message from the President

The GRAYMAROON portrays life in 1949-50 at Bethel College. Some aspects of the picture are important and others are not so important, but so also are the experiences of life in general. Study, play, work and worship as expressed by individuals and groups are all a part of a true cross section of a realistic picture of our Bethel College school family. May the experiences of this year — those represented in this volume as well as others — increasingly fit together into a wholesome pattern for all of us and make us all more useful citizens for this life and the next.

GILBERT GOERING
President

The Student Council is composed of a group of students nominated by their respective classes and elected by the student body. They meet once a week with the Dean of the College, Dean of Men and Dean of Women, to plan for annual student events and to discuss and take care of problems that arise. Their purpose is to secure cooperation between students and faculty, foster school spirit, and in general promote democratic living on the campus.

The Kauffman Museum

CHARLES KAUFFMAN
Curator of the museum

"...a museum with a soul." The Kauffman Museum was born in the mind of an eighteen year old farm boy at the beginning of this century. The collection of birds and animals, the painted backgrounds, the woodcarvings and the reconstructed log cabin are products of the leisure time of Charles Kauffman.

In 1941 this collection was added to the Bethel College Museum and moved into Alumni Hall where the retired farmer became its' curator.

International Relations Club.

UNESCO

On every college campus international affairs play an important part in the thoughts of deep-thinking students. The I. R. C. has been organized to study and discuss these significant affairs. The club is a member of the national organization sponsored by the Carnegie Endowment for International Peace.

The past year's programs have consisted mainly of forums and panel discussions on such significant and timely subjects as atomic energy, Germany, Yugoslavia, India, etc. Off-campus activities of the club included the presentation of several of these forums in various Newton civic organizations.

MEMBERS: D. Platt, M. Schroeder, T. Pankratz, C. McFarlane, S. Voth, D. Wiebe, Vice-Pres.; H. Huelsbergen, H. Wedel, W. Fieguth; N. Schmidt, H. van der Smissen; V. Voth, C. Schrag, Pres.; Dr. H. Stucky, faculty sponsor, J. Harshbarger, Sec.-Treas.; Not pictured: I. Faust, J. Frey, O. Hiebert, V. Lohrentz, R. Neufeld, E. Schmidt; E. Thiessen

Peace Club

The college Peace Club seeks to stimulate interest and action concerning peace issues thru the media of regular bi-weekly meetings, deputation programs in surrounding communities, distribution of literature, correspondence with foreign students, and intercollegiate discussions and conferences. The club endeavors to promote a brotherhood of Christian fellowship and understanding.

The Student Ministers' Fellowship seeks to promote a better understanding of the task which confronts the minister of the Gospel. This is done by studying current problems in relation to theological questions, church work, and personal work through the media of formal and informal discussions.

Ministers

The Student Christian Association endeavors to promote a closer relationship between the student and God and to develop the spirit of Christian fellowship on this campus. The members meet twice each month as a body and present the Wednesday morning worship service. On alternate Wednesdays, the members meet in commission groups. The major projects undertaken are a relief drive each Spring, the planning of Sunday evening worship services, and welfare work in the Methodist Children's Home in Newton.

Cheminar

The Cheminar is a student organization of all chemistry majors and those interested in the field of chemistry. Meetings are held twice monthly at which lectures and demonstrations by students and outside speakers are offered. Field trips to the industries in surrounding cities are a part of the club's activities. The Cheminar is a recognized student-affiliate chapter of the American Chemical Society.

Biology Seminar

The aims of the Biology Seminar are to afford an opportunity for group presentation of individual projects, to gain a broader understanding of the scope of biological sciences, to keep abreast of contemporary discoveries and achievements in medicine, zoology, botany, etc., and to acquaint the members with the background of biology and its founders in order to stimulate their interest and appreciation for this field.

The special project of the Biology Seminar during the past year was a research of the vocational opportunities in the field of biology as they exist throughout the country today.

Radio Club

The Christopher Dock chapter of the Future Teachers of America attempts to acquaint preparing teachers for the teaching profession and to develop an organization which shall be an integral part of state and national education associations. The F. T. A. members and others interested meet twice a month for discussions with former members, now active teachers, and with leaders in various communities interested in the teaching field.

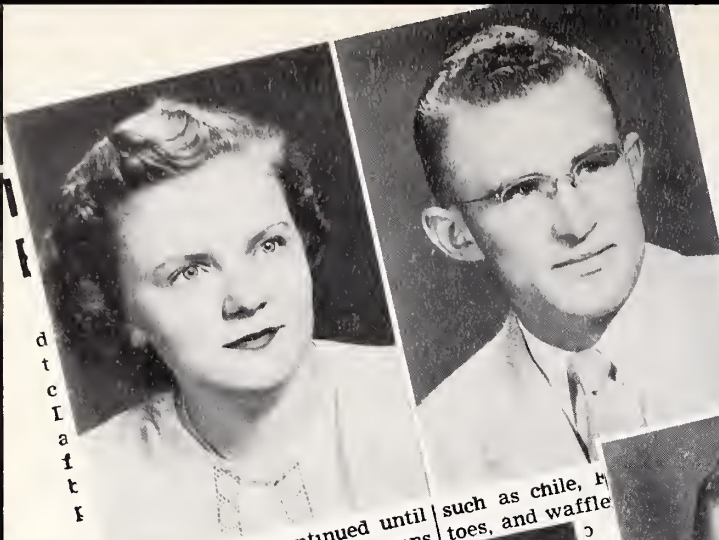

The aims of the Radio Club are to stimulate interest in radio communication, to encourage its members to obtain amateur radio licenses, and to give its members an opportunity and incentive to learn about and discuss various phases of radio transmission and reception. Varied programs, including informal discussions led by Prof. N. Paul Stucky or a club member and lectures given by local radio amateurs, are presented at the semi-monthly meetings.

Whew! What a job-as anyone on the Graymaroon Staff can tell you. It was a lot of hard work, but fun.

The responsibility for publishing the Graymaroon this year was again undertaken by the Junior Class. From a list of nominees submitted by the class, the Student Council selected the editor and business manager. They, in turn, chose the remainder of the staff.

Special thanks should be given to Loretta Penner, Myron Voran, Art Langenwalter, Darlene Nafziger, Ivan Ratzlaff, and Marjorie Reimer. Though they were not on the staff, they assisted the Business Staff in the solicitation of advertising.

The portrait work was done by the La Verne Friesen studio of Buhler.

The Letter Club is composed of students who have lettered in any one of our intercollegiate sports and have been formally accepted as club members. This year the club sponsored various activities and projects including selling of football and basketball season tickets, initiation of new members, taking motion pictures of the Homecoming game, and the Buffalo Barbecue. The principal backers of the club and the athletic department are the alumni members.

The function and purpose of this club is promoting loyalty and enthusiasm, and performing services at various functions. During football season, the club sells food at the games and takes an active part in the cheering section. An important part of their function is ushering at programs and other school affairs.

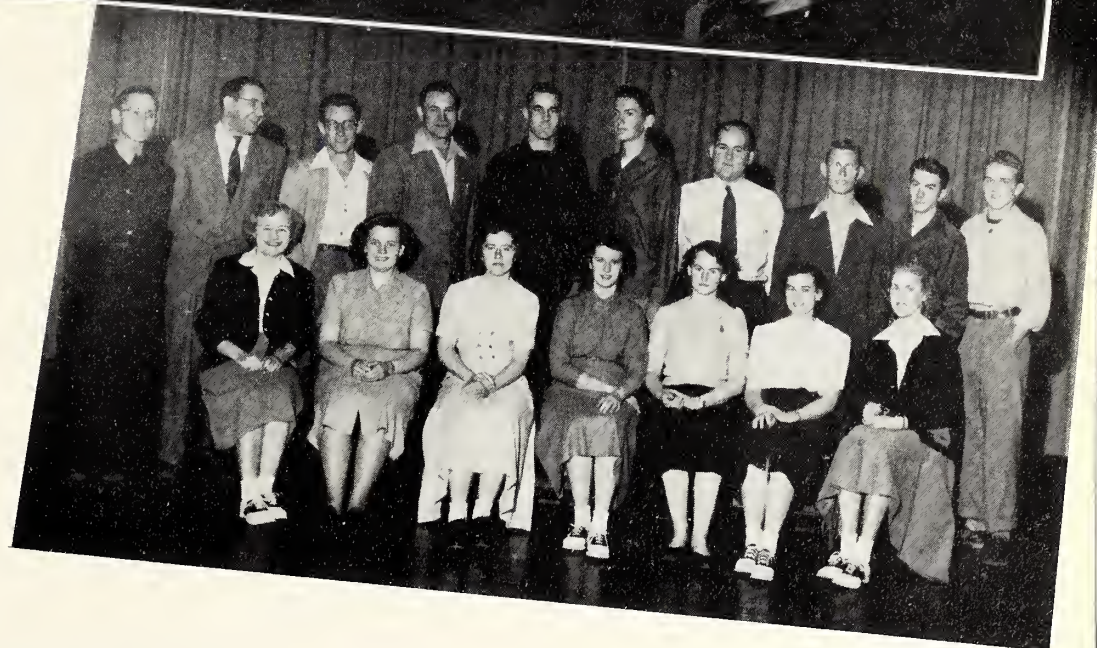

Home Ec Club

The objective of the Home Economics Club is to train active and efficient leaders among young women for home and community life by developing personality, leadership, initiative, and social poise. The club also attempts to keep members in touch with current topics and opportunities in the Home Economics world.

Drama Society

The Bethel College Drama Society seeks to stimulate and cultivate a taste for the best in the drama on the campus. Twice a month the group meets for a short business meeting and a program. The programs consist of such things as reading plays, recording radio scripts, and listening to drama records. Several one-act plays are given by the club during the year. The club also gives Bethel students the opportunity to join the Delta Sigma Chapter of the Alpha Psi Omega, the national dramatics fraternity.

A Capella Choir

The Bethel College A Capella Choir, directed by Dr. Walter H. Hohmann, has again fulfilled its many duties on the campus as well as in surrounding communities.

In addition to the activities of the school year, the choir made a summer tour into the northern United States and Canada. A combination of fun, hard work, and effort are moulded into an impressive singing group that is enjoyed throughout the year.

The members of the Choir are listed on page seventy-two.

MEN'S QUARTET: Eldo Neufeld; Novalis Toews; Theodore Pankratz; John Gaeddert.

During the year the quartet appeared at various school functions, before service clubs, in high school assemblies, and gave full programs in various churches throughout the state. They also made an extended good-will trip to the west coast churches. Dr. David Suderman, their director, accompanied them on the trip.

The sextet serves as another good will organization for Bethel College. This year they have given a program at Sterling College and have sung at various functions in Newton and North Newton, especially around Christmas time. Mrs. Gertrude Hohmann Dyck is the director of the sextet.

LADIES SEXTET: Mary Lou Voran; Randalin Hohmann, accompanist; Betty Ann Enns; Leona Enns; Pauline Thierstein; Maxine Ratzlaff; Lucille Franz.

Debate

Vic Krehbiel, W. T. Wilkoff, coach, Elmer Wall, Margy Rickert, Harold Duerksen, Ernie Goertzen, Mary Moyer, Gladys P. Schmidt, Gerald Schmidt. Not Pictured: Margaret Hetzke, Vernon Harms.

The debaters participated in invitational debate tournaments at Southwestern College, St. John's College, and Sterling College. They also attended practice tournaments at Emporia State Teacher's College and at McPherson College.

Teams debated both the affirmative and the negative using the proposition, Resolved: That the United States should nationalize all non-agricultural industries.

The Speech Department also sponsored the local peace and alcohol oratory contests.

Participation in forensics entitles one to become a member of Bethel's chapter of Pi Kappa Delta, national speech fraternity.

Alpha Psi Omega is a national honorary dramatic fraternity organized for the purpose of providing a society for those doing a high standard of work in dramatics. Membership is limited to those who are able to comply with national requirements.

The Christmas pageant, an evening of one-act plays and the all-school play presented in April were sponsored by Alpha Psi Omega in conjunction with the Department of Speech and Drama.

Senior Class Play

"All My Sons" by Arthur Miller was presented by the Senior Class on November 11 and 12, under the direction of W. T. Wilkoff.

The play tells the story of an airplane parts manufacturer whose allegiance to his family has always taken precedence over a greater responsibility to society, and of the group of people who are caught up in the conflicts stemming from the manufacturer's philosophy of "practicability".

All The World

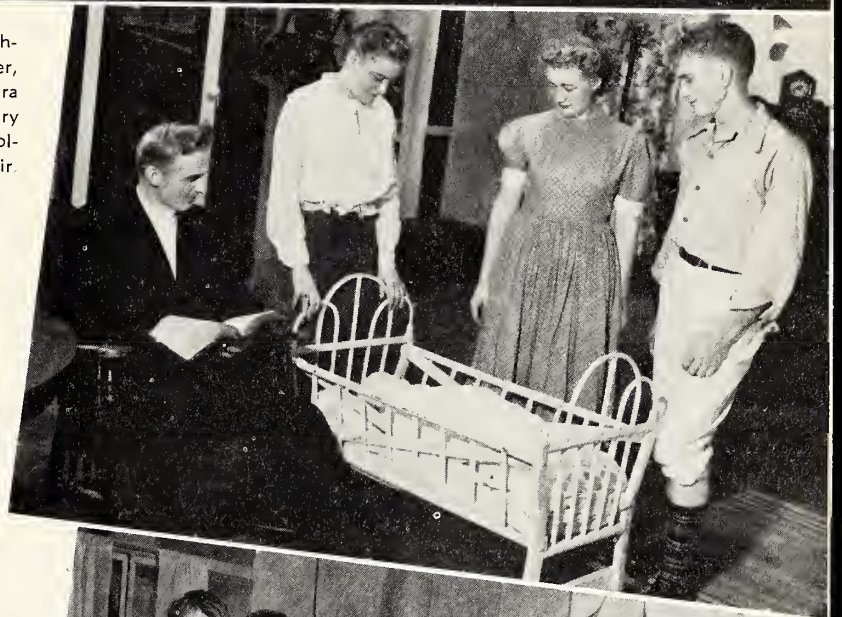

THE CAST: Emil Goering, Ella Voth, Mary Moyer, Janis Krehbiel, Ernest Goertzen, Randy Hohmann, Ruth Fast, Dan Graber, John Harshbarger, Delbert Goering, Kenneth Voth, Velora Schmidt, Pete Ediger, Gladys Pearl Schmidt, Margy Rickert, Mary Anne Kraft, Lynette Waltner, Gerald Schmidt. The Bethel College Church Junior Choir took the part of the children's choir.

Junior Class Play

Hartzell Spence's "One Foot in Heaven" dramatized by Anne Coulter Martens was presented by the Junior class February 10 and 11, under the direction of W. T. Wilkoff.

In a run down parsonage, Rev. Wm. Spence and his family begin their ministry in a small town. They arrive to find their work cut out for them—race problems,, dilapidated church and parsonage, disorganized choir—and so they work, with one foot in heaven and one on earth, not daring to plant both feet solidly either way.

Homecoming

Homecoming festivities started with an impressive parade led by the Homecoming Queen and consisting of twelve colorful floats prepared by various campus dorms and other groups. Upon arriving at the Athletic Park the parade circled the football field for a final review before the judges.

At two o'clock, the queen was crowned by Rube Goering, the football captain. Donna Fretz, little daughter of Coach Fretz, was the charming crown bearer.

A perfect homecoming afternoon came with the winning of the game against the Swedes of Bethany.

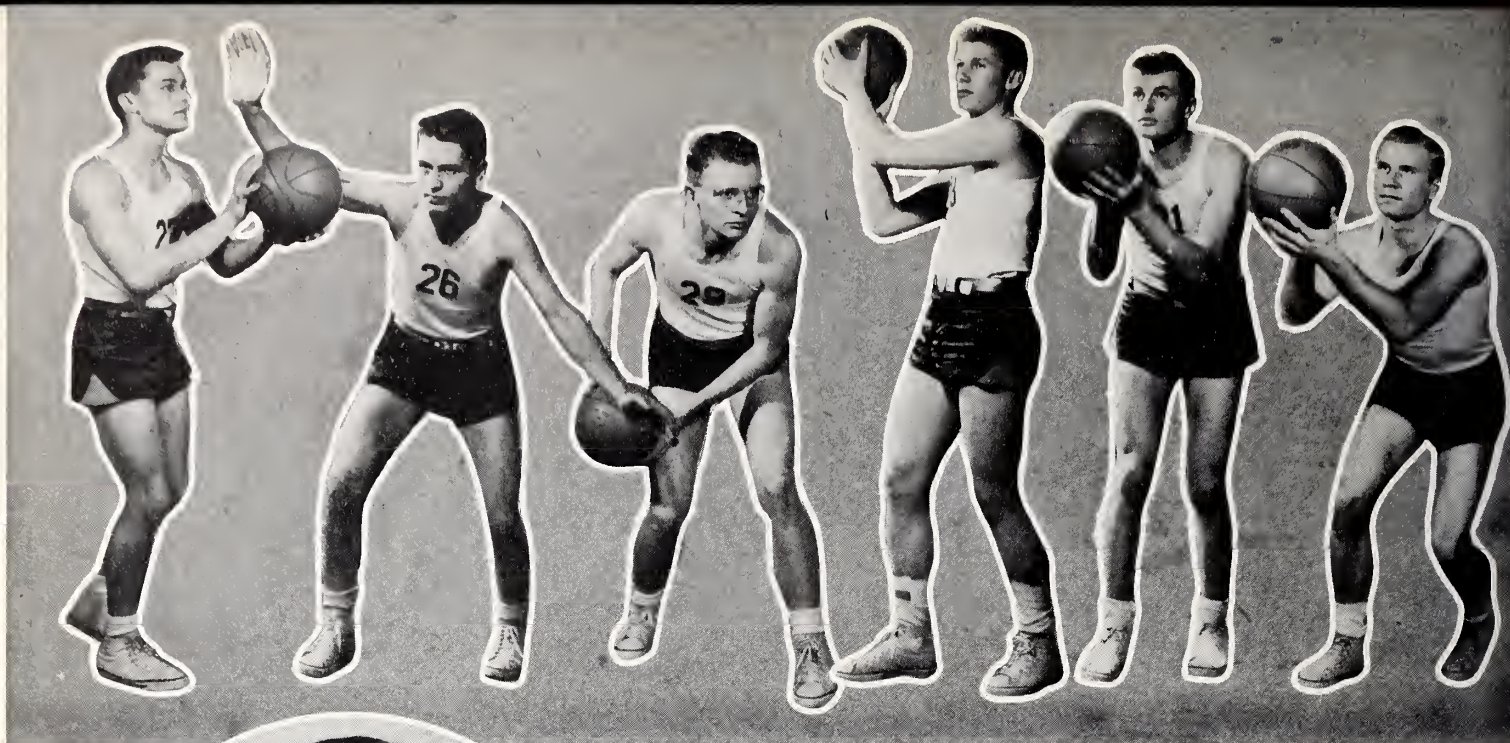

The day's festivities ended with the Homecoming banquet. A full house of alumni, students, faculty and friends were there to make it a day to be remembered.

Spring Sports

Merle Siebert

At the time this article is meeting a deadline, the track program is just getting underway. Earlier this school year money from the Family Project was voted for improvement of the track. Plans are completed and the new track is under construction.

During the nineteen forty-nine season the track squad placed fifth in the Kansas Conference meet at Ottawa. The mile relay team won its event to win the only trophy awarded in Kansas Conference athletic competition last year. "Curly" Schmidt copped first in the 880 yard run, and Merle Siebert took fourth in the discus.

ETERNAL GOD, OUR FATHER:

We thank Thee for this upper room of quiet, hallowed by so many sacred memories. Here Thou hast spoken so often to past student bodies and faculty members. Speak Thou as clearly to us today and when Thou speakest help us to hear and heed. When we sing of Thy boundless love and Thy unfailing providence let it be with heartfelt sincerity. And now as we look into Thy soul-searching eyes through Christ Jesus, we become sadly conscious of our unclean hands, our wayward ways and our stubborn wills. Forgive us; cleanse us; and let the beauty of Jesus be seen in us. Unconditionally we would yield ourselves to Thee and to Him who gave His all, even His very life, for our salvation.

William L. Shirer, news analyst and lecturer, was the first number of the Memorial Hall Series, December 6.

Hungarian String Quartet, November 17, played a superb concert of chamber music to a large audience. During their several days' stay on the campus, they gave the students a chapel program and also witnessed their first American football game. Members of the quartet are Zoltan Szekely, Alexandre Moskowsky, Denes Koromzay and Vilmos Palotai.

The night of February 17, the Deep River Singers gave an entertaining program of folk songs and negro spirituals. Walter Bell, Albert Yarbrough, Joseph Giles, James Collins compose the group with James McClendon as accompanist.

The Donatelli Trio composed of Marienka Michna, pianist, Elena Donatelli, coloratura soprano, and Ruth Freeman, flutist, presented a program March 6.

eating..

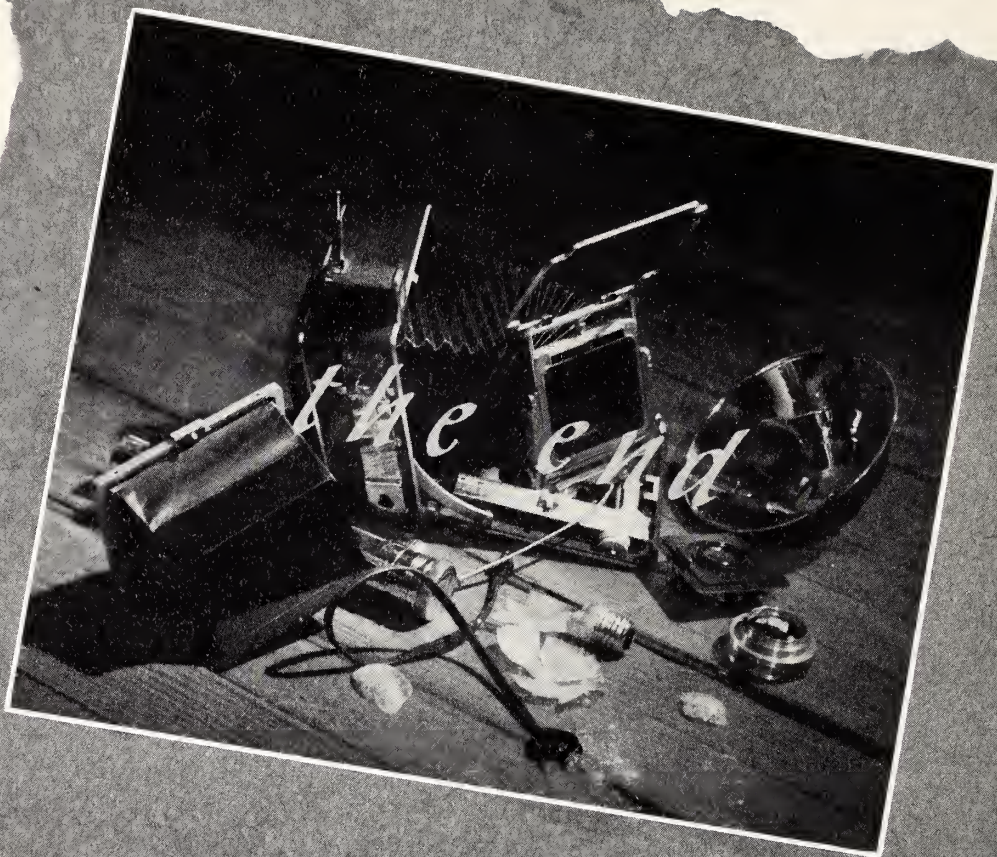

in the dining hall

*Methuselah ate what he found on his plate,
And never, as people do now,
Did he note the amount of the calorie count;
He ate it because it was chow.
He wasn't disturbed as at dinner he sat,
Devouring a roast or a pie,
To think it was lacking, in granular fat
Or a couple of vitamins shy.
He cheerfully chewed each species of food,
Unmindful of troubles or fears
Lest his health might be hurt
By some fancy dessert;
And he lived over nine hundred years.*
